CTAAP 2011 Teleconference Programs
The Connecticut Chapter of the American Academy of Pediatrics

The New Connecticut Medicaid System and Its Effect on Pediatric Practices

Thursday, December 15, 2011 12:10 – 1:00PM

Beginning January 1, 2012, Medicaid will change significantly in Connecticut. The Department of Social Services will be the single payer and CHN will be the Administrative Service Organization. This teleconference program will help your practice understand how this new system will affect practice management, billing, reimbursement, PA, etc..

Representatives from CHN, DSS, and HP will present information on the nuts and bolts of this new system. A large portion of the agenda will be dedicated to answering member's questions about the specifics of this program. We will allow sufficient time for detailed responses to your concerns.

Please e-mail teleconference.ctaap@gmail.com with any specific questions or concerns that you would like addressed during the program. The more detailed the question, the more likely that we will be able to respond.

Who Should Participate? Physicians, All Medical Practitioners, Practice Managers, Coders and Billers
